Cod: 39530303

Stainless steel sink unit with cupboard, 1 bowl, drainer on the left, depth 60 cm, 110×60×85h cm

Description

Why buy it?

This sink is the ideal choice for anyone looking to combine practicality, durability and hygiene in a single product. Thanks to its stainless steel construction and professional design, it offers everything you need to work in the kitchen in an organised and efficient manner, simplifying washing-up tasks and making the most of the available space.

Key features

- **Stainless steel construction**: this material ensures sturdiness, durability and corrosion resistance, whilst also making cleaning extremely straightforward – a crucial aspect in professional kitchens.
- **Cabinet with sliding door**: the space beneath the sink becomes a practical storage compartment, perfect for storing detergents, work equipment or utensils, keeping the area tidy. The sliding doors optimise space even in smaller kitchens.
- **Spacious sink**: the generously sized sink (110x60x85h cm) allows you to wash large crockery, pots and utensils with ease, ensuring practicality in everyday tasks.
- **Drainboard on the left**: the integrated drainboard helps you organise your washing routine more effectively, providing a dedicated space for draining plates and utensils in a hygienic and tidy manner.
- **Rear splashback**: this protects the wall from water splashes, helping to keep the work area clean and making daily cleaning easier.
