Cod: 7387

Electric fan-assisted oven with grill, 3 trays (60×40 cm), convection, 77.5×70×56h cm, 3.15 kW

Description

An exceptional high-powered convection oven with a sleek, minimalist design, featuring a grill function – an essential piece of equipment for businesses wishing to serve snacks, pizza, croissants and hot dishes. Suitable for baking pastries, prepared foods, snacks, pizza, meat, fish and bread.

- It guarantees ease of use, outstanding reliability and maximum safety.

- The sturdy anti-tip guides prevent baking trays from slipping whilst being inserted or removed.

- A control dial allows the temperature to be adjusted from 50°C to 280°C, and it is fitted with a 60-minute timer with an audible alarm.

- The oven is fitted with two motors and two fans that ensure perfect air circulation inside the chamber, thus providing an ideal environment for every cooking task.

Made entirely of stainless steel. The hinged door helps to minimise the overall dimensions. It can hold 3 standard 60x40 cm racks or baking trays.

Key features:

- 100% Made in Italy

- Suitable for continuous operation

- Easy-to-use controls

- Convection heating with electric heating element

- Grill function
