Cod: 68280312

Stainless steel sink, 140×70×85h cm, 2 bowls with right-hand drainer, shelf and EC splashback

Description

Why buy it?

If you run a professional kitchen, you know how important it is to have a functional, durable and easy-to-clean washing station. This **stainless steel sink** is designed to meet all the needs of the Ho.Re.Ca. sector, combining **robustness**, **hygiene** and **ease of use**. Thanks to its compact yet comprehensive design, it allows you to organise your workspace more effectively and optimise time during washing and preparation stages.

Key features

- **AISI 304 stainless steel construction**
  Made from **AISI 304 stainless steel**, a material that is highly resistant to corrosion, impact and high temperatures. It guarantees maximum hygiene, making it ideal for intensive use in professional environments. Its smooth surface facilitates daily cleaning and prevents the build-up of dirt and bacteria.
- **Two spacious basins measuring 50x50x25h cm**
  The **two** generously sized **basins** offer ample space for washing pots, utensils and crockery simultaneously. The 25 cm depth allows even bulky items to be handled with ease, improving kitchen productivity.
- **Integrated right-hand drainer**
  The **drainer on the right-hand side** promotes a more efficient workflow, allowing freshly washed crockery and utensils to drain. It is also useful for placing baking trays and containers whilst they are being cleaned or dried.
- **Rear splashback for wall protection**
  The **practical** rear **splashback** prevents water splashes on the wall, protecting surfaces and making it easier to clean the washing area. An essential feature for keeping the area tidy at all times and ensuring compliance with health and hygiene regulations.
- **Height-adjustable feet**
  Fitted with **adjustable feet**, this sink adapts perfectly to any type of flooring, ensuring stability and ease of use. The adjustable height also makes installation easier, even on surfaces that are not perfectly level.
- **Lower shelf for storage**
  The **lower shelf** is ideal for storing detergents, buckets, utensils or containers. It helps keep the washing area tidy and functional, maximising the available space beneath the basins.

Technical specifications

- **External dimensions:** 140 x 70 x 85h cm
- **Sink dimensions:** 50 x 50 x 25h cm
- **Material:** AISI 304 stainless steel
