**Cod: 88450010191599**

# Professional 4-burner gas hob on a base unit with a 34.5 kW gas oven, 80×90×114h cm

## Description

### Why buy it?

This **professional 4-burner gas hob** is the perfect solution for anyone looking for performance, practicality and durability all in one appliance. Designed to meet the needs of restaurants, hotels and catering businesses, it offers everything you need for precise and fast cooking. The stainless steel construction, functional design and built-in oven make it an unbeatable choice for your professional kitchen.

### Key features

- **Gas-powered for energy efficiency:**
  Powered by gas, it guarantees significant savings compared to other systems, whilst maintaining constant and optimal power even during peak hours.
- **Four hobs with different power ratings:**
  The four burners, with power ratings ranging from **3.5 kW** to **12 kW**, offer versatility for rapid, gentle or high-intensity cooking. Each burner is designed to distribute heat evenly.
- **Built-in gas oven:**
  The **8 kW** oven is ideal for precise and even cooking. Thanks to its generous capacity, you can prepare main courses and side dishes simultaneously, making the most of your time in the kitchen.
- **Stainless steel construction:**
  The **stainless steel** construction ensures durability, resistance to scratches and corrosion, and quick and easy cleaning – essential for meeting health and hygiene standards.
- **Pilot flame and piezoelectric ignition:**
  The **pilot light** ensures the hob is always ready to light, whilst the **piezoelectric** ignition system guarantees simple and safe ignition in all conditions.
- **Removable cast-iron grills:**
  The cast-iron grills are sturdy and heat-resistant, ensuring stability during use. Furthermore, they are fully **removable**, making daily maintenance and cleaning easier.
- **Adjustable feet for greater stability:**
  **The adjustable feet** allow the cooker to be adapted to any surface, ensuring maximum stability at all times, even in kitchens with floors that are not perfectly level.
- **LPG conversion kit included:**
  The **LPG conversion** kit allows you to easily adapt the fuel supply to suit your needs, making this cooker versatile and suitable for a range of set-ups.
