Stainless steel sink, 140×60×85h cm, 2 bowls with right-hand drainer, shelf and EC splashback

Description

Stainless steel sink, 140 x 60 x 85h cm, with two bowls, a drainer on the right, a shelf and a splashback; it features a sturdy and durable structure made from AISI 304 18/10 stainless steel.
All our stainless steel is certified for use in kitchen workstations and for contact with food.
The sink is fitted with a rear splashback, a shelf and one bowl. Thanks to the adjustable feet, the height can be adjusted.

The tap hole is not included.

The photograph is for illustrative purposes only. The product may have traces of cleaning agents used to clean the stainless steel during production; these can be removed by normal cleaning of the stainless steel. The product may have minor scratches resulting from the normal handling of industrially manufactured stainless steel.
