Cod: 7677

Hob and fan-assisted oven, 46×40×25h cm, 230 V

Description

Griddle and fan-assisted oven: thanks to the internal fan, it distributes heat evenly, ensuring exceptional cooking results, whilst functioning as both a griddle and a fan-assisted oven; - Fast and unique: it toasts up to 4 slices of toast perfectly in around 3 minutes; thanks to its features, it is unrivalled in its category, and the results will surprise both you and your customers; - Economical, odourless and eco-friendly: it consumes just 1,200 watts whilst heating up, offering significant energy savings; moreover, the ventilation system traps vapours inside, preventing the release of fumes and odours, so it does not require an extractor hood.

Dimensions

Dimensions when in use	300x220 mm
External dimensions	460x400x250 mm
Packaging dimensions	475x600x310 mm

Technical specifications

Electrical Power	1.2 kW
Net weight	18.5 kg
Operating temperature	0 +250 °C
Power supply	Electric
Voltage	230 V
Weight including packaging	21 kg
