Cod: 7792

Stainless steel hob with ribbed lid, dual-function grill and fan-assisted oven, with a glass-ceramic hob, 2100W, 50×54×25h cm

Description

A unique and special cooking appliance that allows you to cook as if on a griddle or in a fan-assisted oven simply by adjusting the position of the handle (up = oven, down = griddle). Extra ‘grill’ and ‘fan’ functions for browning, with a choice of smooth or ribbed glass-ceramic hobs. Fitted with instant-heating electric heating elements with low energy consumption; extremely fast cooking thanks to concentrated and uniform heat. The oven hob features a 40x30 cm glass-ceramic hob, available with a smooth or ribbed surface, is simple to use and easy to clean, and has buttons for the grill and fan functions.

Dimensions

Cooking surface dimensions	400x300 mm
External dimensions	500x540x250 mm
Packaging dimensions	600x650x750 mm

Technical specifications

Electrical Power	2.1 kW
Frequency	60 Hz
Material	stainless steel
Net weight	34 kg
Operating temperature	0 +250 °C
Power supply	Electric
Voltage	230 V
Weight including packaging	37 kg
