Cod: 2609

Professional electric stainless steel Fry Top hob with a smooth ‘Steel Dolce’ surface + compartment measuring 80×70×85h cm

Description

Electric Fry Top on a Smooth Mild Steel Cooking Surface + Storage Compartment. Stainless steel frame. Control knobs made from thermosetting plastic. Heating is provided by armoured heating elements positioned beneath the cooking plate. Thick mild steel cooking surface with rounded edges and a welded, sealed splash guard to ensure easy cleaning. The cooking plate is sloped and directed towards the grease drain hole, which is connected to a container situated beneath the cooking surface. Fitted as standard with a grease collection drawer. Two independent cooking zones, each equipped with temperature control knobs. Smooth cooking plate. Fitted with a thermostat allowing the temperature to be adjusted between 120°C and 310°C. Manual reset safety thermostat. Height-adjustable stainless steel feet.

. 100% Made in Italy.
