Cod: 8669

43.5×31 cm 4-tray electric convection oven with digital controls, 2.2 kW

Description

Why buy it?

If you're looking for a versatile, efficient and user-friendly oven, the **4-tray electric convection oven with digital controls** is the ideal solution for your professional or domestic kitchen. Thanks to its advanced technology and compact design, it ensures even cooking, reducing preparation times and optimising energy consumption. With a capacity of **4 trays** and a power output of **2.2 kW**, it is perfect for anyone who wants professional results every time.

Key features

- **Convection technology for even cooking**
  The convection system ensures even heat distribution, guaranteeing perfect results and reducing the risk of undercooked or burnt food. Ideal for bread, cakes, roasts and much more.
- **Capacity for 4 baking trays (43.5 x 31 cm)**
  With its generous capacity, you can cook multiple dishes at the same time, saving time and boosting your kitchen's productivity. The **4 trays included** mean you can get started straight away without needing to buy any additional accessories.
- **Intuitive digital controls**
  The **digital controls** make using the oven simple and straightforward, allowing you to set temperatures and cooking times with precision. Ideal for both professionals and anyone who wants precise control.
- **Compact design with classic front-opening door**
  With its compact dimensions (**59.5 x 53 x 57h cm**), the oven fits easily into any space. The classic front-opening design facilitates access to the trays, making loading and unloading quick and safe.
- **Efficient power supply**
  Thanks to its **2.2 kW** power rating and standard **230 V** voltage, it offers high energy efficiency, reducing energy consumption without compromising performance.
- **Sturdy materials and lightweight construction**
  Despite its robust build, the oven weighs just **39 kg**, making it easy to install and handle. Perfect for those who need a professional appliance that is also easy to manage.

Technical specifications

- **External dimensions**: 59.5 x 53 x 57h cm
- **Power supply**: Electric
- **Power consumption**: 2.2 kW
- **Voltage**: 230 V
- **Tray capacity**: 4 (43.5 x 31 cm)
- **Weight**: 39 kg
- **Controls**: Digital
- Door**opening**: Front
- **Included:** 4 baking trays included for maximum convenience and versatility right from the start.

Dimensions

External dimensions	595x530x570 mm
