Cod: 93150041607012

4-door stainless steel refrigerated freezer table, 223×70×85h cm, -18 to -22°C

Description

Why buy it?

A freezer table like this is an essential solution for anyone working in the catering industry who needs to combine storage capacity with ease of use. With its stainless steel construction and space-saving design, this model guarantees durability, reliability and ease of day-to-day use, making kitchen work easier.

Key features

- **Stainless steel construction**
  Made entirely from stainless steel, the table offers exceptional resistance to impact, wear and tear, and corrosive agents, ensuring a long service life even in high-intensity kitchens. Furthermore, the smooth, hygienic surface is easy to clean and meets professional standards.
- **Electronic control panel with digital display**
  Temperature control is simple and intuitive thanks to the electronic thermostat and digital display, which allow you to monitor and precisely adjust operating temperatures between -18 °C and -22 °C, thus ensuring maximum food safety.
- **Doors with return springs and magnetic seals**
  The doors are designed to facilitate opening and closing, preventing cold air from escaping. The automatic return spring and magnetic seals ensure an airtight seal, maintaining a constant internal temperature.
- **Adjustable feet**
  Thanks to the adjustable feet, the worktop easily adapts to different surfaces and heights, allowing you to work ergonomically and safely even in kitchens with uneven floors.
- **Ventilated refrigeration with automatic defrost**
  The ventilated refrigeration system ensures even distribution of cold air throughout the interior compartment, whilst the automatic electric defrost prevents ice build-up and reduces the need for maintenance.
- **Large storage capacity**
  The freezer table allows you to store a significant quantity of food, organised practically thanks to the 4 racks supplied with their corresponding guides.

Technical specifications

- **External dimensions:** 223 x 70 x 85h cm
- **Power supply:** Electric
- **Energy class:** E
- **Frequency:** 50 Hz
- **Refrigerant:** R290
- **Electrical power:** 0.675 kW
- **Cooling:** Fan-cooled
- **Operating temperature:** -18 / -22 °C
- **Thermostat:** Electronic
- **Voltage:** 230 V
- **Included:** 4 shelves with pairs of rails

Dimensions

External dimensions	2230x700x860 mm
Packaging dimensions	2260x730x1040 mm

Technical specifications

Electrical Power	0.675 kW
Energy efficiency class	And
Frequency	50 Hz
Net weight	155 kg
Operating temperature	-18 -22 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Voltage	230 V
Weight including packaging	189 kg
