Cod: 13860

Stainless steel saucepan, Ø 30 cm, 21.2 L, suitable for induction hobs

Description

Why buy it

This stainless steel saucepan is ideal for boiling and preparing dishes that require a deep pan. It's a practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for making stocks, boiling and other preparations suitable for this type of pot.
- **21.2 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking system, provided the hob's effective diameter is checked.

Technical specifications

- **Product dimensions:** 30x30x30h cm
- **Net weight per unit:** 3.86 kg
- **Diameter:** 30 cm
- **Capacity:** 21.2 L
- **Construction and functional features:** Professional range in AISI 304 stainless steel, compatible with all types of hobs, including induction hobs.
