Tall, single-handled stainless steel saucepan, Ø 32 cm, 15.2 L, suitable for induction hobs

Description

Why buy it

This tall, single-handled stainless steel saucepan is ideal for boiling and preparing dishes that require a deep pan. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Preparation capacity:** The deep design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks suitable for this type of pan.
- **15.2 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking range, provided the hob's effective diameter is checked.
