Cod: 100610712001

Neutral display cabinet, 122 × 36 × 34h cm, with a stainless steel base, a middle shelf and curved glass panels

Description

Why buy it?

This neutral display cabinet combines elegance, practicality and sturdiness in a single product. Thanks to its straight tempered glass panels and anodised aluminium edging, it fits perfectly into any professional setting, showcasing the products on display. The middle shelf allows you to make the most of the available space. Made from high-quality materials, it is designed to last and meet all your display needs.

Key features

- **Intermediate shelf** for increased display capacity.
- **Anodised aluminium edging**, corrosion-resistant and with a refined finish.
- **Curved tempered glass panels**, offering maximum transparency and impact resistance.
- **Sturdy anodised aluminium frame**, ensuring a stable and long-lasting structure.
