Cod: 100620712001

Neutral display cabinet, 122×36×34h cm, with a stainless steel base, a middle shelf, curved glass panels and LED lighting

Description

Why buy it?

This neutral display cabinet combines elegance, practicality and sturdiness in a single product. Thanks to its curved tempered glass panels, it fits perfectly into any professional setting, showcasing the products on display to their best advantage. The middle shelf allows you to make the most of the available space. Made from high-quality materials, it is designed to stand the test of time and meet all your display needs.

Key features

- **Intermediate shelf** for increased display capacity.
- **Curved tempered glass panels**, offering maximum transparency and impact resistance.
- **Stainless steel frame:** This premium material guarantees exceptional durability, with a hard-wearing surface that is easy to sanitise, ideal for professional environments with strict hygiene requirements.
- **LED lighting: The** integrated LED**lighting** enhances every product on display with an even, pleasant light, creating a visual experience that captures your customers' attention. LEDs are also an eco-friendly and cost-effective choice, thanks to their low energy consumption and long lifespan.
