Cod: 2588

2-Hob Electric Cooker

Description

Top-mounted 2-plate electric hob. Stainless steel body. Knobs made from thermosetting plastic. Heating is provided by round cast-iron electric hotplates. The heating element is fixed to the base of the hotplate, embedded in a layer of insulating material. Each hotplate is fitted with a control switch allowing the heat output to be adjusted from maximum to minimum across seven settings. Safety is ensured by a temperature limiter located inside the hotplate. The worktop is moulded and features a reverse embossed design to ensure the hotplates fit perfectly, facilitate cleaning and protect the electrical components from spilled liquids.

. 100% Made in Italy.

Dimensions

External dimensions	400x700x250 mm

Technical specifications

Electrical Power	5.2 kW
Net weight	19 kg
Power supply	Electric
Voltage	400 V
