Ristoattrezzature®

Cod: 9065065003007

ABS-constructed refrigerated cabinet, 1-door, Class A, 400 litres, roll-bond construction with auxiliary fan, 0–8 °C

Description

Energy class A fridge, roll-bond cooling system with auxiliary fan, 400-litre capacity. The product has a white ABS body with a thermoformed interior. The fridge features automatic defrosting via compressor shut-off, 7 cm cyclopentane insulation, a digital thermostat, a door-open alarm, a high-temperature alarm, a removable seal, a self-closing door as standard, a reversible door, a lock and a main switch as standard, adjustable shelves (4+1) and adjustable feet plus rear castors (2+2). Furthermore, the shelves in the fridge cabinet have a narrower spacing for greater product stability; it features a backlit switch (blue), an auxiliary fan for air circulation and a mesh shelf at the bottom to maximise product storage capacity.

Dimensions

External dimensions	600x648x1876 mm
Internal dimensions	460x467x1638 mm
Packaging dimensions	650x720x2015 mm

Technical specifications

Capacity	400 Lt
Electrical Power	0.105 kW
Energy efficiency class	A
Maximum grids	5 Nr
Net weight	74 kg
Noise levels	53 db
Operating temperature	0 +8 °C
Power supply	Electric
Refrigerant gas	R600A
Weight including packaging	84 kg
