Cod: 2597

6-ring electric hob + storage compartment

Description

6-plate electric hob with storage compartment. Stainless steel body. Knobs made from thermosetting plastic. Heating is provided by round cast-iron electric hotplates. The heating element is fixed to the base of the hotplate, embedded in a layer of insulating material. Each hotplate is fitted with a control switch allowing the power to be adjusted from maximum to minimum across seven settings. Safety is ensured by a temperature limiter located inside the hotplate. The worktop is moulded and features an inverted counter-embossing to ensure the hotplates fit perfectly, facilitate cleaning and protect the electrical components from spilled liquids. Height-adjustable stainless steel feet.

. 100% Made in Italy.

Dimensions

External dimensions	1200x700x850 mm
