Cod: 6430

6-burner gas hob with electric oven S/90 120×90 cm

Description

S/90 6-burner gas hob with static electric oven. The oven reaches temperatures ranging from 120 to 330 °C. The contoured hob surface allows for cooking across the entire surface and makes cleaning easy.

N.B.: Fitted with a safety thermocouple.

Note on knob colours:
Our appliances are available with red or silver knobs. The colour cannot be selected by the customer and will be supplied at random. However, if multiple products from the same range are ordered, we undertake to supply all items with knobs of the same colour.
