32-litre single-phase spiral mixer with variable speed control

Description

The spiral mixer from Ristoattrezzature.com is the ideal machine for pizzerias, bakeries and households. The unique shape of the spiral ensures that dough is perfectly mixed in just a few minutes. The bowl, the spiral, the central column and the safety guard are made of stainless steel. The drive system is particularly quiet as it features an oil-bath gear motor. All machines come fitted with a dough divider. The mixers are equipped with a variable-speed control.
