Neutral display cabinet, 121.2 × 27 × 31h cm, with aluminium edging, a middle shelf and gold-coloured curved glass panels

Description

Why buy it

This **neutral display cabinet** combines **refined design** with **high-quality materials** to showcase your products to their best advantage. It is ideal for patisseries, cafés, restaurants or shops looking to add a touch of **elegance and practicality** to their interior.

Key features

- **Curved, toughened glass for optimum safety**
  The display cabinet is fitted with curved, **toughened** glass, ensuring **impact resistance** and greater durability. This feature also adds a touch of modern style to your display.
- **Anodised aluminium frame: sturdy yet lightweight**
  The **anodised aluminium** frame not only offers excellent **corrosion resistance** but also helps to make the product lightweight and easy to handle. The aluminium edging complements the gold detailing perfectly, creating an eye-catching aesthetic.
- **Glass middle shelf to optimise display**
  The practical middle shelf allows you to organise products in a **neat and attractive** way, maximising the space available for display and making each item more visible to the customer.
- **Methacrylate side panels: lightness and transparency**
  The **transparent methacrylate** side panels ensure a clear view of the products, whilst remaining lighter in weight than glass. This solution combines **functional design** with practicality to meet every retail requirement.
