Cod: 92330040201663

Ice-cream counter with heated double-glazed display, static refrigeration, 9 flavours, 165.2 × 67.7 × 119h cm

Description

Ice cream display cabinet for soft-serve and ice lollies. The unit features an upper section with heated double-glazed glass and a flip-down flap, a static evaporator with finned coils and foam-insulated coils in the walls, an electronic thermostat and thermometer with automatic hot-gas defrost, an internal LED light, 4 swivel castors and a self-closing storage door. The storage compartment can hold 42 x 2.5-litre tubs or 21 x 5-litre tubs. As regards display, the cabinet can be configured as follows:

- 9 x 5-litre trays

- 18 x 2.5-litre trays

- 6 ice stick holders.

Tray kits and other accessories are not included but are available as optional extras.
