Cod: 2607

Professional electric stainless steel fry-top with a smooth ‘Steel Dolce’ surface + compartment

Description

Smooth Electric Fry Top in Mild Steel + Storage Compartment. Stainless steel frame. Control knobs made from thermosetting plastic. Heating is provided by a armoured heating element located beneath the cooking surface. Thick mild steel cooking surface with rounded edges and a welded, sealed splash guard to ensure easy cleaning. The cooking plate is sloped and directed towards the grease drain hole, which is connected to a container situated beneath the cooking surface. Fitted as standard with a grease collection drawer. Two independent cooking zones, each fitted with temperature control knobs. Smooth cooking plate. Fitted with a thermostat allowing the temperature to be adjusted between 120°C and 310°C. Manual reset safety thermostat.

. 100% Made in Italy.

Dimensions
