Cod: 2610

Professional electric stainless steel Fry Top griddle with ribbed ‘Acciaio Dolce Top’ surface

Description

Electric Ribbed Mild Steel Fry Top. Stainless steel frame. Control knobs made from thermosetting plastic. Heating is provided by an armoured heating element situated beneath the cooking plate. Thick mild steel cooking surface with rounded edges and a welded, sealed splash guard to ensure easy cleaning. The cooking plate is angled towards the grease drain hole, which is connected to a container situated beneath the cooking surface. Fitted as standard with a grease collection drawer. Two independent cooking zones, each fitted with temperature control knobs. Ribbed cooking plate. Fitted with a thermostat allowing the temperature to be adjusted between 120°C and 310°C. Manually resettable safety thermostat.

. 100% Made in Italy.
