**Cod: 2612**

# Professional electric stainless steel fry top, half smooth, half ribbed, with a soft-touch top

## Description

Electric Fry Top: half smooth, half ribbed, mild steel top. Stainless steel frame. Control knobs made from thermosetting plastic. Heating is provided by armoured heating elements positioned beneath the cooking plate. Thick mild steel cooking surface with rounded edges and a welded, sealed splash guard to ensure easy cleaning. The griddle is angled and directed towards the grease drain hole, which is connected to a container situated beneath the cooking surface. Fitted as standard with a grease-drain drawer. Two independent cooking zones, each fitted with temperature control knobs. The griddle is half smooth and half ribbed. Fitted with a thermostat allowing the temperature to be adjusted between 120°C and 310°C. Manual reset safety thermostat.

. 100% Made in Italy.
