Cod: 106120000012233

Professional gas cooker with pilot light, 4 burners and a static gas oven with a capacity of 4 GN 1/1 trays (80×70×90h cm)

Description

Why buy it?

A **professional gas cooker** with an integrated electric oven is the perfect choice for anyone seeking **maximum efficiency and reliability** when preparing meals. Thanks to its **four independent hobs**, a spacious **conventional oven** and high-quality materials, this model guarantees high performance in the kitchen, optimising cooking times and results. Its functional design, comprehensive features and **pilot light** make this unit a sound investment for businesses in the Ho.Re.Ca. sector.

Key features

- **Stainless steel construction**
  Sturdy, hygienic and built to last, the **stainless steel** construction is ideal for professional environments. It ensures easy daily cleaning and resistance to impact, corrosion and high temperatures.
- **4 hobs with vitrified cast-iron grates**
  Fitted with **four burners** – **two at 3.5 kW and two at 6 kW** – the hob allows you to handle several dishes simultaneously, from quick cooking to more demanding tasks. The **enamelled cast-iron grills** provide stability for pans and ensure even heat distribution.
- **Integrated pilot flame**
  The **pilot flame** ensures the burner reignites immediately, improving energy efficiency and guaranteeing continuous operational safety. A real advantage in fast-paced kitchens.
- **GN 1/1 static gas oven**
  The **static gas** oven has a **capacity of 4 GN 1/1 trays** and guarantees even, controlled cooking, ideal for main courses, side dishes and slow cooking.
- **Height-adjustable feet**
  The stainless steel feet are **adjustable** to adapt perfectly to any surface and to facilitate cleaning underneath the unit, ensuring hygiene and practicality.
- **Accessories included**
  The package includes **1 GN 1/1** oven **rack**. Everything you need to start cooking professionally straight away.

Technical specifications

- **External dimensions**: 80 x 70 x 90h cm
- **Weight**: 85 kg
- **Fuel**: gas
- **Total gas power**: 23 kW
- **Oven power**: 4 kW
- **Number of burners**: 4
- **Oven type**: forced-air thermoelectric
- **Oven capacity**: 4 GN 1/1 trays (including 1 rack)

Dimensions

Distance between baking trays	75 mm
External dimensions	800x700x900 mm
