Cod: 100572008

Stainless steel table, 170 × 60 × 95h cm, on legs with a base panel and EC splashback

Description

Why buy it?

The 170 x 60 x 95h cm stainless steel table is designed to meet the needs of professional kitchens and food processing facilities. Sturdy, practical and versatile, it is an essential piece of equipment for optimising workflow and keeping work areas hygienic and organised.

Key features

- **Maximum strength and durability**:
  Made from **AISI 304 stainless steel**, a material of the highest quality, this table offers exceptional resistance to impacts, scratches and corrosion, ensuring excellent performance even under the most demanding working conditions.
- **Impeccable hygiene**:
  Stainless steel is synonymous with cleanliness. The smooth, non-porous surface makes the table easy to sanitise, meeting the rigorous hygiene standards of professional kitchens.
- **Versatility and practicality**:
  The additional **base shelf** allows you to store equipment, utensils and work materials, keeping everything tidy and easily accessible.
- **Guaranteed stability**:
  Designed to support up to **300 kg**, it is ideal for complex tasks and heavy loads, without ever compromising safety.
- **Functional details**:
  The 10 cm rear splashback protects walls from splashes and dirt, keeping the workspace clean and organised.
