Cod: 108760020112641

Stainless steel refrigerated table with 2 doors, temperature range -2 to +8 °C, 135×70×85h cm

Description

A modern-looking refrigerated counter, featuring a new door design, a worktop with rounded edges and a digital display. The table offers the perfect combination of efficiency and reliability, with a depth of 70 cm, 2 doors and 2 adjustable GN1/1 shelves per door. Our refrigerated counter has been designed with the environment and energy efficiency in mind, featuring eco-friendly R290 refrigerant, 6 cm of insulating foam on each side, doors with increased thickness and an internal contour for improved thermal insulation, and self-closing doors to prevent energy wastage. A monobloc motor system to facilitate maintenance, and height-adjustable feet (from 14.5 cm to 18.5 cm) help make this product an ideal piece of equipment for professional catering.

Dimensions

External dimensions	1350x700x850 mm
Internal dimensions	930x585x585 mm
Packaging dimensions	1390x740x870 mm

Technical specifications

Capacity	260 Lt
Climate class	4
Defrosting	automatic
Electrical Power	0.350 kW
Energy efficiency class	A
Net weight	100 kg
Operating temperature	-2 +8 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Weight including packaging	118 kg
