Cod: 108760030112026

3-door stainless steel refrigerated table, temperature range -2 to +8 °C, 180×70×85h cm

Description

A modern-looking refrigerated counter with a worktop featuring rounded edges and a digital display. This product offers the perfect combination of efficiency and reliability, with a depth of 70 cm, 3 doors and 2 adjustable GN1/1 shelves per door. Our refrigerated display cabinet has been designed with the environment and energy efficiency in mind, featuring eco-friendly R290 refrigerant, 6 cm of insulating foam on each side, doors with increased thickness and an internal contour for improved thermal insulation, and self-closing doors to prevent energy wastage. A monobloc motor system to facilitate maintenance and height-adjustable feet (from 14.5 cm to 18.5 cm) help to make this product an ideal piece of equipment for professional catering.

Dimensions

External dimensions	1800x700x850 mm
Internal dimensions	1380x585x585 mm
Packaging dimensions	1840x740x870 mm

Technical specifications

Capacity	400 Lt
Climate class	4
Defrosting	automatic
Electrical Power	0.350 kW
Energy efficiency class	A
Net weight	124 kg
Noise levels	42 db
Operating temperature	-2 +8 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Weight including packaging	149 kg
