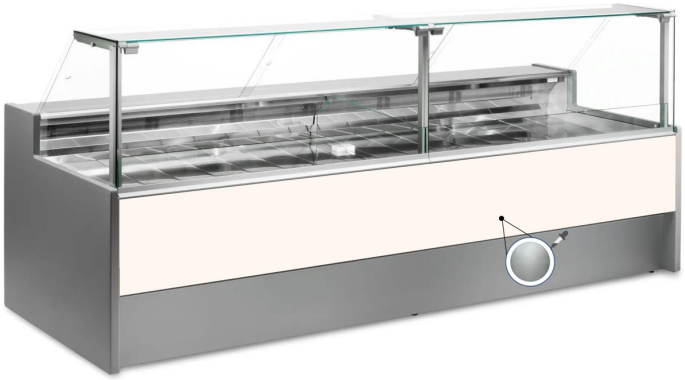
**Cod: 11012061942747**

# Ventilated refrigerated display cabinet without storage compartment for delicatessens and butchers, brushed grey, 0 +2°C, 200×109×128h cm



## Description

A modern-style ventilated refrigerated display cabinet, meticulously designed down to the last detail to meet every requirement; robust thanks to its stainless steel frame; with glass panels that open upwards to facilitate the placement of goods; LED lighting to show the displayed products to their best advantage; and a stainless steel worktop and display area.

Actual dimensions do not correspond to the image, which is for illustrative purposes only.

**N.B. The optional frame with castors can only be selected at the time of purchase. The optional polyethylene chopping board and stainless steel scales holder are not available with a plexiglass rear panel.**
