Looking for people with 10 pagers, coverage 15,000 cm, dimensions 4.7 × 10.2 × 1.2 (h) cm

Description

Professional-grade pager system with charging tower, featuring a modern and attractive design, configurable for up to 9,999 pagers; it allows you to alert a customer simply by pressing a button. This version requires an external control unit. The pagers are recharged simply by placing them in the supplied charging tower; they have a more powerful battery than other models, offering twice the range. It operates within a maximum range of 15,000 cm in open terrain. The pagers are fully customisable with your logo, offering ample space for your advertising. **Please note: the control unit for the pager is not included and can be purchased as an optional extra.**
