Cod: 100290020401981

Professional electric countertop fry top with ribbed griddle, 3 kW, 55×45×23h cm

Description

The **Ristoattrezzature professional electric countertop fry-top with ribbed griddle** is a **practical, robust and versatile** product. Ideal for meeting the needs of modern catering. **Suitable for intensive use and ideal for cooking foods such as steaks, burgers, fish or vegetables**.

Choose to optimise your dish preparation times and ensure high-quality results every time.

Highly popular in restaurants, pubs, sandwich bars, canteens and fast-food outlets.

Design and operation

This **professional electric countertop ribbed-plate fry-top** for pubs features a **technical yet minimalist** design. **It is easy and intuitive to use**, ensuring quick and efficient operation.

The **external dimensions** of the unit are **55 x 45 x 23h cm**; the grill dimensions are 54.8 x 35 x 0.8h cm, and the cooking surface is spacious and comfortable. A product of excellence, indispensable in any self-respecting professional kitchen.

The outer structure is made **of stainless steel**: a durable, robust and hygienic material. **The cooking plate is made of cast iron**. It is electrically powered **with** a **power rating of 3 kW**. The voltage **is** 230 V.

The product is fitted with **splash guards on three sides** for safe operation, a **removable drip tray** to collect debris released during cooking, and **four** height-adjustable **stainless steel feet** to ensure maximum comfort and safety.

Cleaning and maintenance

The **professional electric countertop fry top with ribbed griddle** is easy to clean; we recommend cleaning it daily and after each use. Unplug the appliance and clean the griddles once they have cooled down as follows:

- **Do not use abrasive cleaning products**
- **Use a soft cloth**
- **Do not get the electrical components wet**
- **Remove the** grease**tray** at the bottom.

This ensures **maximum cleanliness and hygiene** in your professional kitchen in just a few quick steps.

Why this is the right product for you

Buying this appliance guarantees healthy and tasty food with a compact footprint, in a short time and without ever compromising on flavour. **Easily adaptable to all requirements**. The **professional countertop electric fry-top with ribbed griddle** for fast food is the ideal choice for a professional kitchen as it provides the right support.

Reliability, versatility, **sturdiness**, **practicality**, **adaptability** and **competitiveness** are its key strengths. Choose to complete your workspace by relying on the experience and professionalism of Ristoattrezzature.
