Cod: 111910412834

12 kW countertop gas lava stone fry top, 60×60×28h cm

Description

Fry top with lava stone grill, stainless steel frame. Knobs made from thermosetting plastic.

Heating is provided by two dual-flame stabilised burners.

Fitted with a safety gas tap that allows the output to be adjusted from maximum to minimum. Safety is ensured by a thermocouple maintained active by the pilot burner flame.

A fixed meat grill is supplied as standard.

Two independent cooking zones, each fitted with temperature control knobs.

Stainless steel worktop with rounded edges to ensure easy cleaning. The cooking chamber is sloped and directed towards the fat drainage hole, which is connected to a large-capacity container situated beneath the cooking surface.

Tested for use with natural gas or LPG, depending on the user's requirements.

. 100% Made in Italy.
