Cod: 100480090011991

Electric pizzeria oven with mechanical ‘Pizza Plus’ function, three-phase, capacity 9+9 pizzas, 2 chambers measuring 108×108×14h cm

Description

This 2-chamber electric oven, with a capacity of 9+9 pizzas, is a robust appliance with an elegant design; it is easy to use and incredibly practical, thanks in part to its removable glass door, and guarantees excellent cooking results and exceptional durability over time. The product is designed to deliver excellent results by allowing you to set two separate operating temperatures for the upper and lower chambers, with maximum temperatures reaching 455°C. The oven is fitted with no fewer than 6 armoured heating elements – three in the base and three in the ceiling. It features a firebrick cooking surface, insulation made from evaporated rock wool and internal lighting.

Dimensions

External dimensions	1360x1320x745 mm
Internal dimensions	1080x1080x140 mm
Packaging dimensions	1420x1440x900 mm

Technical specifications
