Cod: 100540714002

Neutral display cabinet, 122 × 36 × 17.5h cm, with a stainless steel base, straight glass panels and sliding doors

Description

Why buy it?

This **neutral display cabinet** is a versatile and stylish solution for any catering or patisserie business. Here's why you should choose it:

- **Modern and elegant design:** the curved glass and stainless steel details give it a refined look, perfect for enhancing the presentation of your products.
- **Sturdy, durable materials:** the stainless steel frame ensures strength and longevity, whilst maintaining its aesthetic appeal over time.
- **Maximum ease of use:** thanks to the sliding doors, accessing the food or items on display is quick and easy, optimising your daily workflow.

Key features

- **Straight and side panes in methacrylate:** methacrylate is a lightweight yet durable material, perfect for ensuring transparency and safety. The curved panes enhance the product's appearance, drawing attention to what is on display.
- **Sliding doors:** these doors ensure quick and effortless access, making the display cabinet practical for both staff and customers. Ideal for restaurants, bars and patisseries requiring efficient solutions.
- **Stainless steel frame:** the stainless**steel** frame provides a sturdy, corrosion-resistant base, perfect for use in professional environments such as the catering industry. Furthermore, it is easy to clean and keep hygienic.
