Cod: 111910222844

9 kW gas-fired, height-adjustable countertop lava stone fry top, 40×70×25h cm

Description

Fry top with lava stone grill, stainless steel frame. Heat-resistant knobs with functional screen-printed markings on the rim.

Heating is provided by a two-branch stabilised-flame burner. Fitted with a safety gas tap that allows the output to be adjusted from maximum to minimum. Safety is ensured by a thermocouple maintained active by the pilot burner flame.

Stainless steel removable meat grill supplied as standard. Food supportrack adjustable to two different heights, even whilst in use.

An inclined tray facing the grease drain, connected to a large-capacity container situated beneath the cooking surface.

A small drawer to collect the dust produced by the combustion of the lava stone is supplied as standard.

A 5 kg bag of lava is supplied.

A moulded worktop made from AISI 304 stainless steel with wide-radius rounded edges for easy cleaning.

The worktop finish is laser-cut to ensure the worktops fit ‘end-to-end’ and are securely fastened together.

Testing carried out using natural gas or LPG, depending on the user’s requirements.

. 100% Made in Italy.
