Cod: 100600022009001

Stainless steel sink unit, 180×60×85h cm, 2 bowls with drainer on the right, 2 EC sliding doors

Description

Why buy it?

This stainless steel sink is the ideal solution for anyone looking for **functionality, hygiene and practicality** all in one unit. Thanks to its cupboard-style design with **sliding doors**, it offers useful storage space for organising utensils and cleaning products, keeping your kitchen tidy at all times. The **two spacious basins** and the **integrated drainer** ensure an efficient workflow, whilst the **adjustable feet** allow it to be perfectly adapted to any surface.

Key features

- **AISI 304 stainless steel construction**
  Made entirely from **AISI 304 stainless steel**, this sink guarantees **maximum resistance to corrosion, impeccable hygiene and long-lasting durability**. It is ideal for intensive use in professional settings such as restaurants, kitchens and catering establishments.
- **Cabinet with 2 sliding doors**
  The enclosed base unit with **sliding doors** offers practical storage space, perfect for keeping utensils, cleaning products and work materials tidy and easily accessible. The sliding doors are designed to **optimise space**, avoiding clutter even in the narrowest of kitchens.
- **2 spacious basins with integrated drainer**
  The sink is fitted with **two basins measuring 50x40x25h cm**, ideal for washing crockery, pots and large utensils. The **integrated drainer** allows you to place plates and utensils to drain, improving organisation and efficiency during washing-up.
- **Adjustable feet for maximum stability**
  The adjustable feet allow **the sink** to **be adapted to any floor**, ensuring stability even on slightly uneven surfaces. An essential feature for keeping the worktop perfectly level and improving the user's comfort.
- **Rear splashback for added protection**
  The **10 cm** splashback prevents splashes and water seepage behind the sink, keeping the walls dry and reducing the need for frequent cleaning.

Technical specifications

- **Material:** AISI 304 stainless steel
- **External dimensions:** 180 x 60 x 85h cm
- **Bowl dimensions:** 50 x 40 x 25h cm
