Ristoattrezzature®

Cod: 10579001011

4-tray 42.9×34.5 cm electric fan-assisted oven with convection, humidification and electromechanical controls

Description

Electric fan-assisted convection oven with humidification and electromechanical controls. Quality encapsulated in a simple, high-performance oven with an operating temperature range of 100 to 260 °C, allowing you to cook even the most elaborate dishes evenly every time. Thanks to the indirect humidification system, this oven allows you to make all your dishes more flavourful, tasty and fragrant. Ideal for small eateries, cafés and small patisseries that have to cope with limited space. The product features a flap-style door and a viewing window.

Dimensions

Distance between baking trays	74 mm
External dimensions	590x695x590 mm
Packaging dimensions	650x760x600 mm

Technical specifications

Baking tray capacity	4
Commands	knob
Electrical Power	2.8 kW
Frequency	50/60 Hz
Net weight	33.2 kg
Operating temperature	+100 +260 °C
Power supply	Electric
Voltage	230 V

Standard equipment

Included	4 aluminium trays, 429 x 345 mm
