Cod: 112690020232016

Height-adjustable gas-fired lava stone fry top with open compartment, 18 kW, 80×70×85h cm

Description

Height-adjustable lava stone grill top, stainless steel frame. Knobs made from heat-resistant material with functional screen-printed markings on the rim.

Heating is provided by a five-branch stabilised-flame burner. Fitted with a safety gas tap that allows the output to be adjusted from maximum to minimum. Safety is ensured by a thermocouple maintained active by the pilot burner flame.

A removable stainless steel meat grill is supplied as standard. The food support rack can be positioned at two different heights, even whilst in use.

An inclined tray, angled towards the grease drain, connected to a large-capacity container situated beneath the cooking surface.

Two small drawers for collecting the dust produced by the combustion of the lava stone are supplied as standard.

A 5 kg bag of lava is supplied.

A worktop made from AISI 304 stainless steel with large-radius rounded edges for easy cleaning.

The worktop finish is laser-cut to ensure the worktops fit ‘end-to-end’ and are securely fastened together.

Testing carried out using natural gas or LPG, depending on the user’s requirements.

Height-adjustable stainless steel feet.

. 100% Made in Italy.

Dimensions

External dimensions	800x700x850 mm
Packaging dimensions	910x810x1130 mm

Technical specifications

Gas Power	18 kW
Material	stainless steel
Net weight	77 kg
Power supply	Gas
Weight including packaging	91 kg

Standard equipment

Included	1 x 5 kg bag of lava
