Browse the catalogue to select the model best suited to your needs and discover all the features and optional extras available at the click of a button.

Design and functionality

The design of **the 2-bowl stainless steel sink with cabinet and 2 sliding doors** for pizzerias and restaurants is minimalist. It features clean lines and a compact footprint that maximises working time and space.

This particular model, in fact, has two bowls and is fitted with sliding doors to ensure efficiency in a compact space. A piece of furniture that combines **aesthetics and practicality**. The structure is made entirely of **stainless steel**: **antibacterial, corrosion-resistant and robust**.

The **external dimensions are 100 x 60 x 85h cm**, and **the 10 cm high splashback at the rear helps** to contain any splashes of water or food.

Our **stainless steel double-bowl sink unit with two sliding doors** is particularly suitable for all sectors of the catering and gastronomy industries and is completed with:

- a **shelf at the bottom**;
- **4 adjustable feet**.

Choose quality and always offer your customers the very best by using professional-grade products. The unit is durable, easy to use and offers ample storage space.

Cleaning and maintenance

The **stainless steel sink unit with two bowls and two sliding doors** for the catering industry is a professional piece of equipment which, thanks to the materials used and its design, is quick and easy to clean.

Find out the correct procedure to follow and which products are essential to **ensure high quality over time**.

Firstly, clear all surfaces of any items and then clean with a **soft cloth** and a **mild detergent**. Dry thoroughly to avoid water marks. **Abrasive sponges and harsh detergents are** strictly **prohibited**, as they would damage the surface.

Why this is the right product for you

The Ristoattrezzature **stainless steel sink unit with two bowls and two sliding doors** could be just the solution you need to optimise your time in the kitchen, where time is always tight. Check availability online and **complete your order in a single click**.

It's a great choice for: **reliability, safety and speed of service**. With our sink, you'll enjoy minimal space requirements and maximum functionality. **Particularly suitable for restaurants, pizzerias, cafés, kitchens and patisseries**.
