Neutral display cabinet, 121.2 × 27 × 15h cm, with aluminium edging and curved gold-coloured glass panels

Description

Why buy it?

If you're looking for a solution that combines style and functionality, this **neutral display cabinet** is perfect for you. With its **modern design** and high-quality materials, this display cabinet is ideal for restaurants, bars, hotels and patisseries, ensuring an elegant and professional display of your products.

Key features

- **Modern and eye-catching design**
  The clean lines and black colour make this display cabinet a sophisticated addition to any setting, whether modern or classic. The combination of the **aluminium** frame and curved glass adds a touch of unmistakable elegance.
- **Curved, toughened glass for excellent visibility**
  Curved, toughened glass offers greater protection than standard glass, ensuring safety and durability. Furthermore, the curvature of the glass improves the visibility of the products, attracting customers' attention.
- **Sturdy and durable aluminium frame**
  The **aluminium** frame ensures a lightweight yet sturdy structure, ideal for daily use in professional settings. Aluminium is also corrosion-resistant, keeping the display case looking as good as new over time.
- **Transparent methacrylate side panels**
  The **methacrylate** side panels guarantee crystal-clear transparency, comparable to glass, but with greater impact resistance. This feature makes the display cabinet practical and durable, as well as aesthetically pleasing.
- **Compact and functional dimensions**
  With external dimensions of **121.2 x 27 x 15h cm**, this display cabinet is compact and fits perfectly on counters or small surfaces, without compromising on display space.
