Cod: 115320210062968

Sushi display fridge, 114.8 × 40.6 × 31.6h cm, 4 GN 1/3, white counter-mounted refrigerated unit with curved glass and built-in motor

Description

Why buy it?

If you're looking for a compact, stylish and practical solution to display sushi or other chilled foods professionally, this **countertop refrigerated display cabinet** with curved glass is ideal. Thanks to **its built-in motor**, it can be easily installed anywhere without the need for external connections. The **curved front glass** showcases the displayed products, whilst the **internal LED lighting** highlights their freshness. With **direct cooling and a dual evaporator**, it ensures optimal and uniform preservation. It is the perfect choice for those who want to combine design, practicality and reliability.

Key features

- **Energy-efficient internal LED lighting**
  The LED lighting ensures optimum visibility of the products on display, enhancing their visual appeal and encouraging impulse purchases. Furthermore, it consumes very little energy and does not affect the internal temperature.
- **Integrated thermostat and digital display**
  The digital control panel allows you to easily adjust and monitor the operating temperature, keeping it constant between **+2 and +10 °C**. A simple yet professional interface for maximum control.
- **Curved front glass**
  As well as being aesthetically refined, the curved glass improves the visibility of products from multiple angles. A stylish choice that enhances the counter's appearance and catches the customer's eye.
- **Direct cooling system with dual evaporator**
  This system ensures **even distribution of cold air** throughout the display cabinet, keeping food at the ideal temperature at all times. The dual evaporator increases efficiency and cooling speed.
- **Automatic defrosting**
  You'll no longer need to worry about manual maintenance: the automatic system prevents ice build-up, extending the display cabinet's lifespan and making it more convenient to use on a daily basis.

Technical specifications

- **Internal capacity:** 42 litres
- Power**supply:** Electric
- **Climate class:** 4
- **Energy efficiency class:** C
- **Refrigerant:** R600A
- **Operating temperature:** +2 to +10 °C
- **Defrosting:** automatic
- **Power consumption:** 0.23 kW
- **Net/gross weight:** 33 / 36 kg
- **External dimensions:** 114.8 x 40.6 x 31.6h cm
- **Packaging dimensions:** 125.3 x 51 x 38.5h cm
- **4 GN 1/3 trays** included as standard.

Dimensions

External dimensions	1148x406x316 mm
Packaging dimensions	1253x510x385 mm

Technical specifications

Capacity	42 Lt
Climate class	4
Defrosting	automatic
Electrical Power	0.23 kW
Energy efficiency class	C
Net weight	33 kg
Operating temperature	+2 +10 °C
Power supply	Electric
Refrigerant gas	R600A
Weight including packaging	36 kg

Standard equipment

Included	4 GN 1/3 trays
