Ristoattrezzature®

Cod: 106162509064

Heated display cabinet with bain-marie, 110.5 × 60.3 × 44.1h cm, 3 GN 1/1 countertop trays with LED lighting and curved glass panels

Description

The heated countertop display case has been designed to showcase your range of tapas in style. Its compact dimensions mean it can be easily placed anywhere. The bain-marie function ensures even heat distribution across the entire surface of the trays. Trays (6.5 cm high) not included. The product features a stainless steel frame with anodised aluminium trim, fixed curved glass, a standard silver finish, a non-heated internal shelf, a protected LED light and sliding doors.
