White two-tier counter-top refrigerated display cabinet, 120×60×60h cm, with straight glass panels, built-in motor and smooth top

Description

A stunning countertop refrigerated display cabinet with a modern design. Thanks to its large glass panels and LED lighting, it ensures maximum visibility of the products. Equipped with a slightly sloping display shelf and an intermediate shelf, it allows for the display of a wide variety of products. Designed to meet the needs of patisseries, supermarkets, snack bars, sushi bars and all those businesses that need to serve their customers chilled deli products such as sandwiches, ready-made salads, fruit salads, cold dishes in self-service areas, patisserie desserts, sushi and much more.

Key features:

- Modern design
- LED lighting
- Slightly sloping display shelf
- Removable middle shelf
- High-quality materials: toughened glass and polished stainless steel
- Built-in motor
- Rear panels in clear plexiglass
- Transparent glass top
- Digital temperature control
- Separate switches for lights and compressor
- Height-adjustable support feet
- Entirely designed and manufactured in Europe
