Cod: 108780030112646

Stainless steel refrigerated table with 4 drawers, -2 to +8 °C, 136.7 × 70 × 65h cm

Description

Why buy it?

This **refrigerated counter** is a versatile and professional solution for food storage in catering environments. Thanks to its compact and functional design, it offers practicality without compromising on space or performance. Ideal for keeping ingredients fresh and within easy reach, it enhances kitchen efficiency with a modern and durable design.

Key features

- **4 sliding drawers**:
  The drawers offer ample storage capacity, ideal for organising food in a tidy and accessible manner. The sliding mechanism ensures smooth opening and closing, even in the busiest of kitchens.
- **Digital thermostat**:
  Temperature control is simple and precise thanks to the digital thermostat. You can easily adjust the temperature between **-2°C and +8°C**, ensuring optimal preservation of your ingredients, even under intensive use.
- **High-quality stainless steel**:
  The unit is made entirely from **stainless steel**, a durable and easy-to-clean material. This ensures the product's long service life and impeccable hygiene, which is essential in professional environments.
- **Adjustable feet**:
  The adjustable feet allow the table to be adapted to uneven floors, ensuring stability and safety during use.

Technical specifications

- **External dimensions**: 136.7 x 70 x 65h cm
- **Internal dimensions**: 90 x 58 x 34.5h cm
- **Capacity**: 181 litres
- **Cooling**: Ventilated, using R290 refrigerant for reduced environmental impact
- **Operating temperature**: Adjustable from -2°C to +8°C
- **Defrosting**: Automatic, for minimal maintenance
- **Energy efficiency class**: D
- **Noise level**: Just 42 dB, for a quieter environment
- **Net/Gross weight**: 100 kg / 118 kg

Dimensions

External dimensions	1367x700x650 mm
Internal dimensions	900x580x345 mm
Packaging dimensions	1410x740x690 mm

Technical specifications

Capacity	181 Lt
Climate class	4
Defrosting	automatic

Electrical Power	0.285 kW
Energy efficiency class	D
Net weight	100 kg
Noise levels	42 db
Operating temperature	-2 +8 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Weight including packaging	118 kg
