Cod: 108962669

Stainless steel plate trolley, 59.8 × 59.8 × 159.2 (h) cm

Description

Why buy it?

The stainless steel dish trolley is an essential piece of kit for anyone running a professional kitchen. It is designed to combine **functionality, durability and practicality** in a single product. Thanks to its compact design, it makes day-to-day work easier, optimising space and improving organisation in both the dining room and the kitchen. Whether you run a restaurant, a hotel or a catering business, this trolley will prove to be a valuable ally in simplifying serving and transport operations.

Key features

- **Stainless steel construction**
  Made entirely from **stainless steel**, the trolley guarantees exceptional resistance to wear and tear, rust and the conditions typical of professional kitchens. This material not only ensures a long service life but also makes cleaning easier, maintaining a high standard of hygiene.
- **Load capacity of up to 80 plates**
  Thanks to its **20 spacious shelves**, the trolley can hold up to **80 plates** of various sizes. A perfect solution for handling large quantities of crockery without taking up too much space, improving service efficiency.
- **Swivel castors for smooth manoeuvring**
  Fitted with **4 PVC-coated swivel castors**, the trolley moves with ease even in confined spaces. Two of the castors are fitted with **brakes**, ensuring safety and stability during loading and unloading.
- **Compact and versatile dimensions**
  Measuring **59.8 x 59.8 x 159.2h cm**, this trolley fits perfectly into any workplace, taking up as little space as possible without compromising on load capacity.
