Cod: 117560013121

Stainless steel sink with cabinet, 140×60×95h cm, 1 bowl with dishwasher compartment on the right, VS

Description

Why buy it?

Choosing the **Single-Bowl Stainless Steel Sink with Cabinet and Right-Hand Dishwasher Compartment** means investing in a practical, durable and functional solution for your professional kitchen. Ideal for optimising space and ensuring hygiene and convenience, this sink is designed for those seeking quality and versatility.

Key features

- **SS201 and 304 stainless steel**: Made from high-quality materials that ensure maximum corrosion resistance and a long service life, perfect for high-demand work environments.
- **Adjustable feet**: Guaranteed adaptability to any surface. Thanks to the adjustable feet, you can stabilise the sink even on uneven flooring, ensuring safety and practicality.
- **Anti-spill rim**: A clever design that prevents annoying water spills whilst washing up, keeping the work area dry and safe at all times.
- **Splashback**: The additional protection against splashes on the wall helps keep the surrounding area clean and hygienic, reducing cleaning time.

Technical specifications

- **External dimensions**: 140x60x95h cm
- **Sink dimensions**: 50x40x25h cm
