Cod: 10206932196

Gas fry-top grill, 67×59×30.8h cm, 12.8 kW, countertop model with a single smooth griddle made from 1.5 cm thick steel

Description

Countertop gas fry-top with a single smooth cooking surface made from thick-gauge steel

Key features:

- 1.5 cm thick cooking surface with a 10 cm high rim and a 0.3 cm thick welded base, thus preventing the build-up and seepage of grease between the surface and the rim. Made from thick-gauge steel with an anti-corrosion treatment.
- 300°C thermostatic valve that regulates the heat, ensuring the cooking plate reaches the correct temperature whilst reducing gas consumption.
- Burner with a flame outlet around the entire perimeter, ensuring even heat distribution across the entire plate. No ‘cold spots’. High heat output with safety thermocouple
- Rear gas outlet, facilitating installation in areas where space is at a premium.
- Sturdy, adjustable feet
- High-quality chrome-plated Bakelite knobs with maximum/minimum indicators.
- Spacious, easy-to-remove front grease tray, made entirely of stainless steel.
- Piezoelectric ignition (1 per gas valve).

Dimensions

Cooking surface dimensions	670x500 mm
External dimensions	670x590x308 mm
Packaging dimensions	750x650x600 mm

Technical specifications

Gas Power	12.8 kW
Net weight	54 kg
Power supply	Gas
Weight including packaging	42 kg

Standard equipment

Included	Nozzles designed for LPG. Nozzles for natural gas are also supplied.
