Cod: 102180001012185

Large gas hob, 1 burner, 6 kW, 41×45.7×24h cm, convertible into a countertop Frytop

Description

Countertop gas hob with the option to fit a griddle plate, allowing it to be converted into a Frytop

Key features:

- 6 kW burner with thermocouple. High-hardness cast iron grill, fully removable for cleaning.
- The burner can be converted simply by rotating the grill and inserting a 0.6 cm thick, 40x40 cm laminated steel plate (available as an optional extra)
- High-quality chrome-plated Bakelite knobs with maximum/minimum indicators.
- Rear gas outlet, facilitating installation in spaces where space is at a premium.
- Sturdy, adjustable feet
- Piezoelectric ignition (1 per valve).
