Cod: 102372230

Sheet metal changing room cupboard with partition and top shelf, 40×50×180h cm

Description

Free-standing changing room cupboard. Load-bearing structure made from top-quality profiled steel sheet, 6/10 thick. Reinforced doors fitted with ventilation slits at the top and bottom. Special internal anti-theft hinges. Perimeter front edge rounded to prevent impact, with a radius of 0.6 cm. Longitudinal ribbing on sides and doors. Vents on the top to allow for excellent air circulation. Surface treatment: heavy iron phosphate coating as a primer for painting, which is carried out by anodic electrodeposition with a guaranteed thickness throughout the unit. Cured in an oven at 180°. Paints: acrylics with high corrosion resistance in accordance with ASTM B 117.64 and subsequent amendments. Top shelf with an oval PVC coat hanger rail underneath, complete with sliding hooks; dirty/clean divider; umbrella holder and drip tray on the door; plastic label holder fitted to the door.
