Cod: 110690032832122

Professional glasswasher with Wi-Fi connectivity, three-phase, 45×45 cm basket, 3.5 kW

Description

Professional glasswasher, AISI 304 stainless steel body, balanced double-walled door, easily cleanable coplanar stainless steel rotating arms.

Temperature display with the option to adjust the operating cycle parameters.

The programmable system ensures that rinsing takes place at a water temperature of 85°C to guarantee the elimination of bacteria.

Fitted as standard with a rinse aid dispenser to ensure excellent drying results, provision for a detergent dispenser, provision for a drain pump, and provision for a Wi-Fi module.

A wide range of optional extras is available. One glass basket and one plate basket are included.

Thanks to the larger basket dimensions, it retains its excellent glass-washing performance whilst allowing bar staff greater productivity and the flexibility to wash even larger plates in a single machine.

Perfect for washing large quantities of ice-cream bowls and beer mugs, thanks to the specific cycle featuring a final cold rinse, which allows them to be served immediately after washing.

A scratch-resistant and impact-resistant capacitive display, designed to withstand the hectic pace of professional kitchens.

. 100% Made in Italy.
